No. 161 City Bangalore, 11th February 1898

From

The President, Municipal Commission,

To The Secretary to the
Government of Mysore
General & Revenue Departt.
Bangalore.

Sir,

(Sl4) With reference to Government Proceedings No. 8575 & F347-96 of the 26th ultimo, I have the honor to state that it has been in contemplation to purchase a Steam Road Roller for the past 4 or 5 years, but for want of funds the idea had to be indefinitely postponed. The roads of the City are in need of repairs which cannot be executed as thoroughly and expeditiously by

hy

by means of the Crude Stone Rollers as by the Compound Steam Road Roller, the want of which is badly felt especially at the present time. I therefore, solicit that Government would be pleased to sanction the purchase of the Compound Steam Road Roller leaving the Fire-Engines for another year.
